RE: Order Instituting a Proceeding to Provide Temporary Rate Relief to Molokai Public Utilities, Inc., Wai'ola O Moloka'i, Inc., and Mosco, Inc.

Dear Chair Caliboso;

Enclosed is the "backup" information requested at the status conference meeting of July 3, 2008. This includes:

1. Backup financial information to support the financial data already supplied to the PUC for Waiola, MPU and Mosco.
2. Information on the costs associated with operating the two unregulated sewer utilities.

Also, at the PUC's request, we have reviewed our records and the number of users for each utility are:

Waiola - 543
MPU - 490
Mosco - 352

These numbers do not take into account multiple users on one meter (condominium projects, etc.).

We would request that this information be held confidential pursuant to the relevant protective orders. We have provided copies of this information to the named parties as instructed.

Thank you for your patience in this matter and your continued efforts to resolve the disposition of the utilities.

Very Truly Yours;
